Form 990 is available for public inspection and, for some people, serves as the primary or sole source of information about a particular organization. How the public perceives an organization in such cases may be determined by the information presented on its return. Therefore, please make sure the return is complete and accurate and fully describes, in Part III, the organization's programs and accomplishments.

Oakland Small Schools Foundation Statement of Program Service Accomplishments FY July 1, 2004 - June 30, 2005

The Oakland Small Schools Foundation (OSSF) was created to promote excellence and sustainability in Oakland's new small public schools. In 2004-2005, it helped five participating schools in Oakland's Fruitvale District identify, secure, and manage resources for needs that would otherwise have been under-funded by traditional public sources. The participating schools were ASCEND (K-8), Think College Now Elementary (K-3), Urban Promise Academy (6-8), Melrose Leadership Academy (6-8), and Life Academy (9-12). The Small Schools Foundation's work supported approximately 1200 students - the majority of whom qualify for free and reduced price lunch - at these schools. The five schools participating with the Oakland Small Schools Foundation demonstrated some of the highest academic gains and the highest attendance rates in the Oakland Unified School District.

Comprehensive After-School Programs
Through collective fundraising and brokering of community partnerships for the schools, the Small Schools Foundation helped create, implement, and expand comprehensive after-school programs that served 600 students in academics, arts enrichment and recreation, and family resource centers five days per week. Bridging the gap in government and start up funds for these small schools, OSSF produced four successful collective grants that supported after-school programs at participating schools.

Fund Development
Small Schools Foundation staff coached principals in successful individual giving campaigns and produced marketing materials for these campaigns. In addition, OSSF developed guidelines for schools' participation in foundation activities, and designed and hosted fundraising workshops for school staff. Individual giving campaigns were launched at each school including web-based giving.

Family Resource Centers
The OSSF, through fundraising and a partnership with the University of California,
fostered the creation of a significant Family Resource Center project at two schools
to begin in 2005-06 as a pilot for expansion to the other schools.

In 2004-05 OSSF raised \$100,000 from more than 50 individual donors and the following foundations:

Organizational Capacity
During 2004-05, OSSF secured pro-bono legal counsel from
OSSF also has developed a three-year strategic plan and implemented administrative and accounting systems for managing foundation funds.

In 2004-05, the Board grew from five to six members. The board met seven times to discuss progress towards goals, evaluate programs, and set organizational priorities. Each board member is responsible for an annual financial contribution. In addition to board members, leaders and volunteers from across many neighborhoods and sectors of the Oakland community are helping us to develop our services and build our organizational capacity.
