Primary Exempt Purpose / Program Service Accomplishments

PART III

Year End 12/31/06

**Primary Exempt Purpose (Part III)** - Ronald McDonald House Charities of Baltimore, Inc. provides a home away from home for seriously ill children and their families and helps to fund programs in the state of Maryland that directly improve the well being of children.

**Part III a** Description of Program Service One

Ronald McDonald House Charities of Baltimore, Inc. owns and operates the Ronald McDonald House. The Baltimore Ronald McDonald House is located in the city of Baltimore. The five hospitals primarily served by the Ronald McDonald House are University of Maryland Medical System, Johns Hopkins Hospital, Sinai Hospital, Mt. Washington Pediatric Hospital and Kennedy Krieger Institute. There are no specific geographic parameters regarding service, as the House serves families from every part of the state of Maryland as well as all corners of the world. To be eligible to stay at the House, a family must have a child age 21 or younger receiving treatment at any one of the area hospitals. The families must be referred by a social worker from the hospital to stay at the House. Families are asked to pay a de minimus rate for the room and the parking garage. The room rate is \$15 per night, which only partly defrays operating costs. However, the social workers determine each family's ability to pay and the room and parking charges can be reduced or waived in their entirety, without affecting eligibility.

The House has 37 rooms, primarily with a double and single bed in each room. There are 2 rooms with single beds only and 2 suites containing a living room and kitchen. The occupancy rate averaged 83% during 2006.

More than 1,000 volunteers assisted during the year by providing meals for the families, clerical support, gardening, and hosting special events for the families. Additionally, donations of items such as paper products and house supplies are received during the year which provides a small reduction in expenses

Funds are solicited through annual newsletters. Additionally an annual Golf Tournament is conducted in August of each year and helps to raise money for the Ronald McDonald House. During 2006, the Ronald McDonald House held a fundraising Gala as well.

**Part III b** Description of Program Service Two

Ronald McDonald House is the cornerstone program of RMHC but can only help 37 families at a time. To meet the broader mission of the organization, RMHC provided grants to other nonprofit organizations in the state of Maryland. Money used for grant making comes from special promotions held by our local McDonald franchises, special designated fundraising activities and the matching grant account funded by the national chapter of RMHC in Oak Brook, Illinois. A list of the 2006 grant recipients is attached (See Statement C)

**PART VII - Analysis of Income-Producing Activities**

**Year End 12/31/06**

**Line 93a (Guest Fees)** - The organization operates a home away from home for families of children who come to the medical facilities in Baltimore, Maryland for diagnosis and treatment. The Ronald McDonald House offers safe and inexpensive residential accommodations near the hospitals served with complimentary shuttle service for those who need transportation. These fees represent the de minimis room rate donated by the families. Parking is included in the room rate. The families are not excluded due to inability to pay. The excess of program expenses over the program revenue is funded by contributions.

**Line 93b (Vending Income)** - The Ronald McDonald House maintains a soda machine entirely for the convenience of our guests. These revenues are incidental to the organization.
