Schedule A, Form 990, Part III

Attachment to explain how the organization determines that individuals or organization receiving grants or loans from it in furtherance of its charitable purposes "qualify" to receive.

Student Sponsorship Programme (SSP) was established to provide scholarships and mentoring to students in South Africa who were former victims of apartheid.

SSP currently utilizes local South Africa non-for-profit organizations which are better equipped to carry out its purposes described above. The requirements that an organization must meet in order to receive a benefit from SSP are as follows:

- a. It must be organized as a non for profit organization
- b. It must be located in South Africa
- c. It must provide scholarships to needy students in South Africa
- d. It must provide mentors for students
