NOTES TO FINANCIAL STATEMENTS

(See Independent Auditor's Report)

NOTE A - Summary of Significant Accounting Policies

Nature of operations and concentration of credit risk - The Packard Motor Car Foundation (the Foundation) was established for the preservation and rehabilitation of the former Packard Motor Car Company proving grounds in Shelby Township, Michigan. The Foundation is funded by donations from the general public and leases the land the proving grounds are located on with options to buy or receive donations of the land from Ford Motor Land Development Corporation. The Foundation spends a majority of its funds maintaining the former Packard Proving Ground. (See Note C.)

Basis of accounting - The accompanying financial statements have been prepared on the modified cash basis of accounting. Under that basis, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. The Foundation also capitalizes as assets, fixed asset purchases and records depreciation expense over the estimated useful lives of the underlying assets.

Depreciation and amortization - Fixed assets, including major renewals and improvements, are stated at cost. Depreciation and amortization is provided over the estimated useful lives of the assets using the straight-line method of depreciation. When fixed assets are sold or scrapped, the related costs and accumulated depreciation and amortization are removed from the respective accounts, and any gain or loss on disposition is recognized currently. Maintenance and repairs which do not improve the productive capacity or extend the useful lives of the assets are expensed as incurred. Useful lives for depreciation purposes are as follows:

<u>Category</u>	<u>Useful lives</u>
Machinery and equipment	Seven years

Cash flows - For the purpose of the statement of cash flows, the Foundation considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Foundation places operating capital with high credit quality financial institutions. At times, such investments may be in excess of the FDIC insurance limits.

Use of estimates - The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

NOTE A - Summary of Significant Accounting Policies (continued)

Federal Income Taxes - The Foundation qualifies as a non-profit corporation under Internal Revenue Code Section 501(c)(3) and is exempt from federal income tax.

Basis of presentation - The Foundation reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. The Foundation classifies net assets, revenues, expenses, gains and losses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Foundation and/or the passage of time.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained by the Foundation permanently.

NOTE B - Supplemental Disclosure of Cash Flow Information

NOTE C - Leases

The Foundation entered into a lease on May 31, 2002, with Ford Motor Land Development Corporation, for the 13.88 acres of land representing a portion of the former Packard Motor Car Company proving grounds. The initial lease called for annual rental payments as follows:

<u>Date</u>	<u>Amount</u>
May 31, 2003	\$120,000
May 31, 2004	123,600
May 31, 2005	127,308
May 31, 2006	131,127
May 31, 2007	135,061
December 31, 2007	81,150

The annual rental payments may be offset by qualifying third party sub-contract invoices paid by the Foundation and in-kind contributions or donated services providing exterior improvements to the structures on the premises or landscaping enhancements made to the premises. The tenant is responsible for insurance, property taxes and utilities for the leased premises.

The lease was amended December 19, 2003, to split the premises into a 7 acre parcel (Parcel A) and 6.88 acre parcel (Parcel B). The lease called for Parcel A to be separated from the lease and Parcel B to remain covered under the lease. Under the amended lease, the Foundation will receive a donation of Parcel A subject to various deed restrictions which need to be met by December 31, 2007. The agreed-upon donation value of Parcel A is \$1,067,000. As of December 31, 2007, the deed restrictions were met and the donation of Parcel A was recognized for financial statement purposes. The sole remaining restriction on Parcel A is that they continue to use Parcel A as an historic site. The Foundation has also been given an option to purchase Parcel B for \$1,040,000, exercisable at the end of the lease term. The purchase price escalates three per cent per year. As of the date of these financial statements, the Foundation has negotiated with Ford Motor Land Development Corporation a discounted price for the purchase of Parcel B of \$400,000.

NOTE D - Concentrations

For the year ended December 31, 2007, two donors represented seventy-two and eleven per cent of aggregate contributions for the year. For the year ended December 31, 2006, one donor represented fifteen per cent of aggregate contributions of the Foundation received for the year.

NOTE E - Donated Services

The Foundation receives a significant amount of donated services from unpaid volunteers who assist in fund-raising and special projects. No amounts have been recognized in the statement of activities because the criteria for recognition under SFAS No. 116 has not been satisfied.
