Organization's Primary Exempt Purpose

The organization's activities are religious, philanthropic, and educational in nature, all based on spreading the word of Jesus Christ.

The organization provides leadership development training so that distinguished individuals may organize and assist Christian Vocational Centers in North Africa, which are created to help poor individuals be self-reliant and learn valuable skills. This training consists of providing room, board, and travel expense.

In addition, the organization establishes orphanages and foster homes for African children under the age of 5. The children receive this care until age 18 depending on availability. The orphanages and homes provide orphans with holistic care, early education, and career development all based on Christian teaching and principles.

The organization also provides goats and bicycles to underprivileged in North Africa. The goats may be used under the barter system so that individuals may begin establishing a system of self-sufficiency. The bicycles add to this self-sufficiency by providing a means of transportation.
