4b	POWER HOUR IMPLEMENTATION PROGRAM DESCRIPTION BGCA implemented Power Hour, an education enhancement program in approximately 180 Clubs located in America's 250 poorest counties in an effort to deepen impact on youth currently served. Power Hour helps young people to view homework as an opportunity to learn how to work independently, successfully complete a project on time, and feel good about their accomplishments. Clubs encourage youth to make positive and productive choices about how they spend leisure time at the Club and at home. Participants develop critical life skills of responsibility in a setting that strikes a balance between autonomy and cooperation. Members emerge from the program better prepared for classes and therefore more likely to master the skills being taught in the class room and to ultimately have educational success.

ORGANIZATION'S PROCEDURES FOR MONITORING THE USE OF GRANT FUNDS IN THE US	QUESTION 2	Boys & Girls Clubs of America ("BGCA") strives to provide on-going and effective technical assistance, information, systems and monitoring so as to help ensure that BGCA and local Clubs receiving pass-through grants from BGCA make full and compliant use of all funds entrusted to BGCA federal and non-federal. For the life of the grant, contract, etc., the Financial/Legal Services, Services to Clubs and Federal Grants Departments provide compliance and fiscal management related guidance and oversight. The program-sponsoring department is also involved in these areas, and is primarily responsible for the programmatic activities and outcomes, as well. Throughout the process, information and education is provided to Club representatives through, for example, the funding announcement packet, grant administration trainings, online via www bgca net, letters of agreement, and especially via BGCA staff in Federal Grants, Financial Services, Services to Clubs and Government Relations. BGCA staff continually monitors the financial and programmatic performance of sub-recipients through Club financial reports, Club program reports, direct communications with Clubs, site visits, etc. When are grants are awarded to Clubs on a reimbursement basis (i.e. federal grants), requests for expenditures are thoroughly reviewed for accuracy, allowability and appropriateness per agreed upon budgets and program deliverables that are in alignment with the donor or grantors intent and requirements. Periodically BGCA receives detailed financial and programmatic reports from the sub-recipients, i.e. Clubs receiving pass-through funds from BGCA, documenting their use of the funds for the specific purpose for which they are granted. These reports also include sub-recipient Clubs financial statement audit reports and if applicable, audit reports in accordance with OMB Circular A-133 for the use of federal funds. Likewise financial and programmatic reports are also issued by BGCA to the appropriate funding sources - federal agencies or private sec
