The Mark Samuels Lasner Fellowship in Printing History is a program providing an award of up to $2,000, for research in any area of the history of printing in all its forms, including all the arts and technologies relevant to printing, the book arts, and letter forms. The subject of research has no geographical or chronological limitations, and may be national or regional in scope, biographical, analytical, technical, or bibliographical in nature. Printing history-related study with a recognized printer or book artist may also be supported. The fellowship can be used to pay for travel, living, and other expenses. The fellowship, named for the first donor of the fellowship, was started in 2002.

NB: In January 2008 the American Printing History Association named this program the "Mark Samuels Lasner Fellowship in Printing History" and designated the winners of the competition as "Mark Samuels Lasner Fellows."

From 2003 to 2007, funding for the fellowship depended on an individual donor. To ensure the permanence of the Mark Samuels Lasner Fellowship in Printing History, APHA is actively engaged in raising an endowment. Our goal is a $50,000 endowment to provide a $2,000 annual award. *More information*
