Part IV Supplemental Information. Complete this part to provide the explanation required by Part II, line 10; Part II, line 17a or 17b; or Part III, line 12. Provide any other additional information. (see instructions)**Part II, Line 17b - 10% Facts and Circumstances Test - 2007**

Although the Edmund S. Muskie Foundation's (ESMF) public support is below one-third, the organization nonetheless continues to qualify as a "publicly supported" organization under the facts and circumstances test provided under Treasury Regulation Section 1.170A-9(e) (3), as follows.

1. Ten Percent Public Support

ESMF's public support during the period 2004 - 2008 was 21.5% and, therefore, was at least 10% as required under Regulation Section 1.170A-9(e) (3) (i).

2. Attraction of Public Support

ESMF was organized in 1996, shortly after the death of former Senator Edmund S. Muskie, to honor and continue his lifelong commitment to preserving the environment and fostering civic responsibility. On October 4, 1996, the U.S. Congress authorized and appropriated \$3 million to fund ESMF. The funds were made available to memorialize the late Senator's life and work and serve as an endowment for ESMF.

In addition to the government funding that created the organization and continues to support its mission, ESMF has built a continuous and bona fide program for solicitation of funds from the general public and carries on activities that attract support from other publicly supported organizations. (Regulation Section 1.170A-9(e) (3) ii). ESMF received a significant contribution from a publicly supported organization described in Section 170(b) (1) (A) (vi). ESMF has also expanded its sources of support from one source (the U.S. Treasury) to approximately eighteen different sources including public charities, private foundations, and individuals.

Part IV Supplemental Information. Complete this part to provide the explanation required by Part II, line 10; Part II, line 17a or 17b; or Part III, line 12. Provide any other additional information. (see instructions)**Part II, Line 17b - 10% Facts and Circumstances Test - 2007 (continued)****3. Percentage of Financial Support**

The organization's public support percentage would be substantially higher were it not for the high percentage of its total support from investment income in its endowment funds that, as described above, were originally contributed to ESMF by the U.S. Government. The regulations specifically contemplate this situation (Regulation Section 1.170A-9(e)(3)(iii), "If the percentage of the organization's support from the public or governmental sources is low because it receives a high percentage of its total support from investment income on its endowment funds, such fact will be treated as evidence of compliance with this subsection if such endowment funds were originally contributed by a governmental unit or by the general public.")

4. Sources of Support

ESMF's sources of financial support since its inception have expanded; the organization has received support from both governmental units and a representative number of persons. Its support has not been derived from a single family or sources with a familial relationship with the founders, board members, or staff. ESMF has expanded its sources of support from one source (the U.S. government) to approximately eighteen different sources, including public charities, private foundations, and individuals. For example, ESMF has received significant contributions from the Tides Foundation, a public charity, and three large private foundations: the Joyce Foundation, Turner Foundation, and Beldon Fund.

Part IV **Supplemental Information.** Complete this part to provide the explanation required by Part II, line 10; Part II, line 17a or 17b; or Part III, line 12. Provide any other additional information. (see instructions)

Part II, Line 17b - 10% Facts and Circumstances Test - 2007 (continued)

5. Representative Governing Body

ESMF's Board of Directors represents broad public interests and is comprised of individuals that have particular expertise and knowledge in the areas of environmental protection, foreign policy, and government service. They are leaders in their communities and represent a broad cross-section of views and interests.

6. Availability of Public Facilities or Services; Public Participation in Programs or Policies

All of ESMF's projects and purposes serve to directly benefit the public. ESMF has supported the programs of the Edmund S. Muskie School of Public Service at the University of Southern Maine. Programs supported by the ESMF have included support for scholarships, and the Doctoral program. ESMF has funded forums on environmental foreign policy and intergovernmental relations issues open to policy analysts, public officials, and other individuals in the public and private sector.
