Form 990, Part III, Line 4a - Program Service Accomplishments

National Program:

This included the completion of five-year strategic plan, a new staff person to work with state affiliates, online resources, and stepped up policy advocacy. Our five-year strategic plan was produced in a nine-month collaborative process that included all of TRP's board members and staff, major funders, and state IPL leaders. With a time horizon of 2013, the plan both crystallizes our vision for the future and provides us with a roadmap to get there.

The plan identified public policy as a major area of focus for 2008. In order to build a clean energy future, we need policy change at a local, state and national level. IPL aims to ensure that our shared values of caring for creation are reflected in our public policies.

Form 990, Part III, Line 4d - Other Program Services Description
