Schedule D, Part V		The ASPCA maintains an endowment for the purpose of generating income to support the organization's charitable mission The organization's endowment consists of a portfolio of actively managed funds established to provide both a source of operating funds as well as long term financial stability The endowment's principal is intended to be left untouched, while the income generated is used to fund ASPCA programs Some of the endowment funds may have purpose restrictions on the use of the income
FIN 48		The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("Codification") established criterion that an individual tax position must meet for some or all of the benefits of that position to be recognized in an entity's financial statements This standard requires the Society to determine whether a Society tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement which could result in the Society recording a tax liability that would reduce net assets This standard must be applied to all existing tax positions upon initial adoption and the cumulative effect, if any, is to be reported as an adjustment to the beginning balance of net assets upon adoption The aforementioned criterion was adopted by the Society effective January 1, 2009, and had no material impact on the Society's financial Statements
RECONCILIATION OF NET ASSETS		PART XI, LINE 7 During 2009, the ASPCA determined that certain transactions pertaining to bequests and beneficial interests in third party trusts related to prior years had not been properly recorded in its previously issued financial statements Accordingly, adjustments were recorded to net assets, bequests and other receivables and beneficial interest in trusts held by others as of January 1, 2009, to properly account for these transactions The net effect of these adjustments was \$16,093,217 PART XI, LINE 8 UNREALIZED GAIN ON PERPETUAL TRUST ASSETS 1,856,149 PENSION RELATED CHANGES, OTHER THAN COST 677,134 ----- 2,533,283 =====

PROGRAM SERVICE ACTIVITY	FORM 990 PART III LINE 4D	ANTI-CRUELTY PROGRAMS During 2009, the ASPCA Humane Law Enforcement Department in New York City investigated 3,988 reported cases of animal cruelty resulting in seizure of over 600 animals and 52 animal cruelty arrests. The department responded to 45,000 telephone and E-mail inquiries from the public. The ASPCA Mobile Animal CSI unit traveled thousands of miles to investigate numerous egregious acts of animal cruelty. The unit, supervised by an experienced veterinary scientist, participated in 6 large scale Anti-Cruelty raids in 2009 involving more than 1,500 animals and more than 30 arrests. ASPCA collaborated with the Humane Society of Missouri as well as state and federal agencies to rescue, care for and to evaluate more than 400 Pit Bulls associated with dog fighting operations across eight states. Our ASPCA Forensic Vet received the National Asset Forfeiture Award from the U.S. Department of Justice for her work with the investigation of Michael Vick's Bad Newz Kennels. She assisted in the recovery and analysis of forensic evidence from Vick's property, including carcasses and skeletal remains of numerous Pit Bulls. The ASPCA aided many animals in 2009 through its legislative efforts. In Tennessee ASPCA successfully lobbied for the passage of the Puppy Mills/ Commercial Breeder Act, which requires breeders to maintain humane standards for animals in their care. Connecticut's Puppy Lemon Law and Trace Back Bill passed during 2009 and in New York ASPCA helped to pass a law that requires humane euthanasia of stray and shelter animals.
Form 990, Part VI, Line 6		The ASPCA has two categories of members, Governing Members and Members, but only Governing Members have voting rights. The ASPCA's "Governing Members" consist of those persons who are currently serving as members of the Board of Directors. Only Governing Members have the right to elect the members of the Board of Directors under ASPCA's by-laws. The ASPCA's "Members" consist of one or more membership categories (e.g., champions, benefactors, sponsors, associates, friends, juniors, etc.) as may be established from time to time by the Board of Directors. With the exception of those Members who are also Governing Members, no Member has the right to vote on the election of directors to the Board of Directors. Any contributor over age 18 who makes a donation of \$25 or more to the ASPCA is deemed a "Member".
Form 990, Part VI, Line 11		The Form 990 was prepared by a nationally renowned accounting firm in conjunction with the organization's financial department. The draft of the Form 990 is reviewed by management as well as legal counsel and a copy is circulated to the full Board of Trustees prior to its filing with the Internal Revenue Service.
Form 990, Part VI, Line 12C		All directors, officers and key employees complete a written conflict of interest questionnaire and declaration annually which is reviewed by the corporate counsel and, where necessary, the audit committee of the board of directors.
Form 990, Part VI, Line 15 and Sch J, Line 7		The Executive Committee of the ASPCA board will be the compensation-setting body that reviews and approves the compensation of certain senior members of the ASPCA staff. The President/CEO will make recommendations to the Committee regarding the total compensation of the staff listed below (with the exception of his/hers own). The Committee will review and approve, on an annual basis, the compensation of the following staff members - President/CEO - Chief Financial Officer - Current key employees (earning over \$150,000 and having significant organizational responsibilities). A staff committee consisting of the Human Resources Officer, Chief Financial Officer and Manager of Compensation and Benefits will obtain appropriate comparability data for the positions under review and provide such data to the Executive Committee. Such comparability data will be based on industry surveys, documented compensation of persons holding similar positions in similar organizations, and/or outside compensation studies by independent experts. The Committee will review the comparability data, deliberate, and vote on whether to approve the compensation. The person whose compensation is under review will not participate in the deliberations, except that such person may answer questions that will help the Committee in its deliberations. The Committee will document the basis for its determination concurrently with the approval of the compensation including 1 the terms of the approved compensation and the date approved, 2 the names of members of the Committee who were present during discussion of the compensation and those who voted on it, 3 the comparability data that was relied on by the Committee and how such data was obtained, and 4 any actions taken by a member of the Committee having a conflict of interest. The Committee must then approve the documentation within a reasonable period of time after its preparation.
Form 990, Part VI, Line 19		Audited Financial Statements, charter and by-laws are made available to the public upon request and through charitable registration requirements in over 40 states. The conflict of interest policy is not a public document. The taxpayer makes its Form 990 available to the public by retaining a copy at its place of business and placing a copy on its website. The Form 990 is likewise published on the internet at www.guidestar.org.
Schedule G, Part II		The ASPCA reports all expenditures related to its special event functions as "Other Direct Expenses" on Schedule G, Part II, Line 9. All costs of running these special events are usually invoiced as one fee by the vendor, so that the rental, food and other costs are inextricably bundled and further categorization on Schedule G, Part II is impossible.
