|---|---------------------------------|--|
| supplemental nonqualified retirement plan | Schedule J, Part I, Question 4b | Roxanne Spillett, president and CEO, participates in a board-approved supplemental executive retirement plan, approved effective January 1, 2005. No contributions were made in 2010. |
| incentive compensation | Schedule J, Part I, Question 5a | For persons listed in Schedule J, the organization did pay incentive compensation contingent, in part, on the revenues of the organization. The persons listed in Schedule J are eligible to be considered for an annual incentive award if the year-end revenues of the organization meet or exceed 95% of the board-approved budget (including the projected cost of the awards). However, once it is determined that incentive awards can be paid, the actual amount, if any, of the potential incentive is determined by annual organizational goal achievements and overall individual contributions and accomplishments. In 2009, the year-end revenues did meet or exceed 95% of the board-approved budget. Based upon the individual performance of these employees, incentives were paid. Therefore, the incentive compensation was not paid contingent solely on revenues. The incentive plan and the annual recommended amounts for the president and CEO are approved by the Board of Governors. The incentive plan and the annual recommended amounts for the other members of the Senior Leadership team are approved by the Human Resources & Compensation Committee. |

| PROCESS OF DETERMINING COMPENSATION | FORM 990, PART VI, SECTION B, QUESTION 15 | The total compensation for all senior leadership is determined by Boys & Girls Clubs of America's ("BGCA's") Board of Governors through the Human Resources and Compensation Committee ("HRCC"), which works with an independent firm to assess the marketplace thoroughly to determine comparable salary practices, "peer comparison" compensation data, and other related trends in the not-for-profit sector. The independent firm also provides a detailed report of their analysis, comparisons and recommendations to the HRCC. This review is conducted every two to three years. In addition, every March, the HRCC reviews each senior leadership team member's total compensation based on performance feedback on the individual as well as the organization, and approves the upcoming annual total compensation and benefits package prior to any changes in compensation and/or benefits. All compensation and benefit decisions of the HRCC are completed and documented as required to meet the rebuttable presumption of reasonableness under the Intermediate Sanctions regulations. |
