Part I, Summary of the Organization's Mission and Activities

To change lives through comprehensive treatment of substance abuse. In addition to serving the individual clients, we service the families and community of our clients with family and parenting education, and by being a proactive voice in the recovery community. Additionally, we maintain a license as a Clinical Training Institution to train and educate new counselors in the field with the most recent treatment therapies. Our program includes research(evidence)-based curriculum, cognitive behavior therapy skills, relapse prevention therapy, family systems, introduction to the 12-step philosophy, drug education, curriculum process groups, and motivational interviewing processes. In our residential program for adult men, we serve approximately 400 individuals annually. In our outpatient facility, we serve approximately 300 adult men and women. The organization sustains its mission financially by increasing service to larger segments of the populace of San Antonio, Texas and surrounding areas, and developing funding streams from foundations, corporations, private sources, and fundraising/event activities. We maintain a 75% completion rate and an 85% abstinence rate after 90 days of treatment discharge, which is above the standards set by the State of Texas.
