Part IV Supplemental Information. Complete this part to provide the information required in Part I, line 2, and any other additional information.

The Foundation awards grants to students attending qualified K thru 12 private Arizona schools. The students' family makes application to the Foundation by completing a need based application that provides both information about the demographics of the family, but also its financial information. In addition to the application materials, current tax returns, supporting documents, along with current pay stubs are required. A consistent analysis is completed on all applications by a third party with the parameters of the Bureau of Labor statistics being used. If analysis shows a need after the parameters are applied, a award is made. At the same time the Foundation verifies with the school of attendance of the student and that it qualifies as a K thru 12 private Arizona school. The grants are then approved by the Foundation Board, and a check is sent in both the students and schools name so that it can be applied to the students tuition. The families application, analysis, verification of student status, and check copies are maintained by the Foundation.
