Pt X WCF adopted the accounting standards related to uncertain income tax positions during the year
ended June 30, 2010. These standards limit the recognition of uncertain tax positions to only the
financial statement effects when it is more likely than not that the position will be sustained upon
examination. These standards also clarify the financial statement classification of tax-related
penalties and interest and set forth new disclosures regarding unrecognized tax benefits.
Management did not identify any uncertain income tax positions for the year ending June 30,
2011. WCF believes it is no longer subject to U.S. Federal, state, and local income tax
examinations by taxing authorities for years before 2007.
