| Part X | Part X FIN48 Footnote | In accordance with the accounting standard on Accounting for Uncertainty in Income Taxes, the Club and the Foundation address the determination of whether tax benefits claimed on a tax return should be recorded in the financial statements. Under this guidance, organizations may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merit of the position. Examples of tax positions include the tax-exempt status of the Club and the Foundation and various positions related to the potential sources of unrelated business taxable income. There were no significant unrecognized tax positions identified that qualify for either recognition or disclosure during 2012. |
