Part II, Line 9	Part II, Line 9 Organization Reporting of conservation easements	NEWLT receives donated conservation easements, which represent rights to restrict the use of certain properties. These donated conservation easements are not recorded in the Organization's financial statements since the easements only allow the Organization to restrict the use of the property and to monitor the property. Land held for conservation purposes are purchased or donated properties. Purchased properties are stated at cost and donated properties are recorded at their appraised value at the date of contribution.
Part II, Line 5	Part II, Line 5 - Summarized Policy	NEWLT recognizes that landowner education and relationship building, not litigation, are the best methods to guarantee that conservation easements are upheld. In the event that a violation does occur, NEWLT shall determine whether, where and when a violation occurred within 30 days upon learning of the violation. NEWLT's response should match the severity of the violation. Violations may be discovered during annual monitoring visits, by neighbors, new property owners, or other third parties.
