What is the organization's primary exempt purpose?
The organization works to improve the lives of babies, children, and adults affected by congenital hyperinsulinism. We provide education, information and support to these families. We also work to promote knowledge and awareness of the disorder as it leads to timely diagnosis, better care and neurological outcomes. Undiagnosed hyperinsulinism leads to brain damage and death. CHI seeks to increase early diagnosis to avert unnecessary brain damage. We also support scientific research for better treatments, improved lifestyles, and eventually, a cure.

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. In a clear and concise manner, describe the services provided, the number of persons benefited, and other relevant information for each program title.
