Return Reference	Explanation
Form 990, Part III, Line 4d	Program Service Expenses 0, Grants and allocations 0, Revenue 0 The Rural Technologies Program works with businesses in rural areas throughout Arizona to educate small and medium sized businesses about digital marketing tools and how these tools can bring them closer to customers and business services located within their own communities Research has emerged that demonstrates that small and medium businesses in the rural communities of AZ are less connected to a network of customers, service providers or opportunities for collaboration within their own zip code, town, city or even the state of Arizona These rural businesses are regular users of national, or international brands, of services such as FedEx, Kinkos online, Amazon, etc simply because they are unaware of the print shop, shipping business or the retailer located within their own community And, because of this, these potential partners are going out of business, and their employees losing jobs, in areas where new businesses are substantially less likely to emerge or create jobs
Form 990, Part III, Line 4d	Program Service Expenses 0, Grants and allocations 0, Revenue 0 Local First Arizona is working to help these businesses move to inexpensive and easy-to-use digital marketing mediums that connect them with their local supply chain partners Local First Arizona provides training workshops, on-going support information and launch assistance to these businesses about building a website, utilizing optimization tools, participating in social media particularly Facebook, LinkedIn and Twitter and creating momentum that encourages their fellow business members and nearby rural residents to do the same LFAF has served 87 rural small business this year with new technology workshops and ongoing consulting for improved business connectivity and community
