Amended Return required because of two errors Utilization of the Quick Books report of 12/31/2013 instead of the 2013 report generated after

reconciling the accounts for December 2013 AND acquisition of a horse valued at \$40,000 (appraised value) which was received in November 2013

for inspection Originally the owner asked that we acknowledge receipt in 2014 and then changed her mind asking for 2013 Either is valid as we

do accept horses for a trial period before making a final determination Our error was not caught until we pulled reports to complete the 2014 returns

All financials have been revised accordingly and will be available for public inspection
