Cornerstone Crossroads Academy ("CCA") is preparing for its 9th year of operation in South Dallas. CCA exists to expose at-risk high school students to the hope and abundant life found in Christ, equipping students to know God and serve Him forever. The mission of CCA is to develop urban youth through transformative education, equipping future leaders to impact their communities for Christ. 66% percent of the students served were previously incarcerated. Entering students' average reading scores are below the 6th grade level and their average math scores are below the 7th grade level. The average age of CCA students is 17.5 years old. On average, students enter CCA with fewer than 10 high school credits. In fact, 25% of the students enter with less than 3 high school credits. After graduation, 70% of our graduates begin working full-time, enroll in college, or are serving in the military. It is estimated that, compared to peers who do not complete high school, high school graduates save society roughly \$3,000 per year in taxes across their lifespans. An average life span of 55 years beyond high school graduation is assumed. Thus, each student graduating from CCA who wouldn't have graduated otherwise saves society \$165,000. Using this calculation, CCA contributed to an estimated net gain to society of over \$2 million by investing in the lives of students each school year.
