 The Community Fund and Designations - Through United Way of York County's annual campaign, donors can designate their contribution to The Community Fund. During the past year, funding was provided to 72 programs of 35 partner agencies through The Community Fund in the areas of Education, Income and Health. United Way of York County receives program applications from partner agencies which are reviewed and assessed by trained community volunteers to ensure they demonstrate measurable results. Funding levels are recommended by the volunteers and approved by United Way of York County's Board of Directors. United Way of York County also allocates funds for special one-time projects and new programs of partner agencies. Applications for these programs are also reviewed by volunteers and with United Way of York County's Board of Directors who approve the actual funding levels. As part of United Way of York County's annual fundraising campaign, donors are also able to designate their contribution to qualified organizations exempt under section 501(c)(3). This service is provided as a convenience to our donors. Organizations receiving designations are not required to submit information relative to the use and results of these contributions.

4b (Code) (Expenses \$ 286,702 including grants of \$ 0) (Revenue \$ 192,169)
 Community Initiatives - In 2013 United Way of York County operated SecureCorps, an AmeriCorps program, which was monitored by the state PennSERVE office. The participants, primarily college students, receive a stipend for the service performed and, upon successful completion of their term of service, are also eligible for an education award. In the summer of 2013 SecureCorps Members worked in small groups on a variety of projects, and as a large group to prepare the community for emergencies and disasters. Members successfully created and updated emergency operations plans (EOPs) and business contingency plans (BCPs) for nonprofit agencies. Additionally, Members served with the Bring on Play initiative, Evacuating County Residents in Need program, Voluntary Organizations Active in Disaster, and York County Senior Games. Members at Host Sites updated or completed BCPs and EOPs as part of their service to Schuylkill County EMA, United Way of Lancaster County, Volunteer Center of Lehigh Valley, Yocum Institute for the Arts, Joshua Group, and others. FIRST, the Free Information and Referral System Teleline, was also operated by United Way of York County until July 1, 2013 when operations were turned over to CONTACT Helpline in Harrisburg, PA. CONTACT Helpline is the operator of PA 2-1-1 in counties in south central Pennsylvania. Residents of York County, who need help but do not know where to turn, can dial 2-1-1 and talk to a trained information and referral specialist who can give advice on where to start. PA 2-1-1 is a free and confidential service that operates 24/7. The program receives funding from United Way, York County Human Services, other organizations and private donors. Last year, more than 27,000 people called FIRST/PA 2-1-1 most often to ask for emergency food or shelter and financial assistance to pay for rent, utility bills, prescription medications and other basic needs. Using a searchable database, the information and referral specialists can customize referrals based on the caller's age, income and residence. Annual caller surveys show that 85% of callers to FIRST are women between the ages of 18 and 55, with children and a family income of less than \$25,000. FIRST can be reached by calling 2-1-1, 717-755-1000 or 1-800-673-2529. People also can access the searchable database on the United Way of York County's website www.unitedway-york.org or on CONTACT's website www.contacthelpline.org. United Way of York County also operates the Volunteer Center to provide nonprofit organizations with volunteer recruitment and management tools, and to manage event registration for the Day of Action. Using Get Connected, an online event management and volunteer information and referral database, United Way and Volunteer Center members can effectively recruit and manage volunteers. Members can also manage and communicate with their volunteers by e-mail. During 2013/14, over 1,000 people served as volunteers on the United Way Board of Directors, committees, campaign cabinet, allocations panels and agency review teams and for community initiatives such as FOCUS and the Truancy Prevention Initiative. In addition, more than 1,200 community volunteers were connected to opportunities with more than 80 nonprofit organizations. An additional 500 volunteers participated in the annual Day of Action and volunteered over 1,400 hours of service for Volunteer Center members. Projects included garden maintenance, reading to children, building improvements and many other worthwhile activities.

4c (Code) (Expenses \$ 178,457 including grants of \$ 0) (Revenue \$ 290,583)
 Education Programs - FOCUS, formerly known as Focus On Our Future, a Success by 6 initiative, is a program of United Way of York County which promotes high quality early childhood education for children throughout York County. FOCUS provides training, on-site technical assistance and financial support to child care centers and home based providers to assist with national accreditation and advancement in the Keystone STARS program which is Pennsylvania's program to promote continuous quality improvement in early childhood education. Keystone STARS performance standards are grouped into four levels and address staff qualifications and professional development, the early learning program, partnerships with family and community, and leadership and management. During this past year, more than 120 providers in York County are participating in the Keystone STARS program. In York County, there are 21 programs who have received national accreditation either by the National Association for the Education of Young Children (NAEYC) or the National Association of Family Child Care (NAFCC). To receive funding through United Way of York County's Community Fund, a partner agency must have national accreditation or STAR 4 status. In March, over 500 parents and children attended the FOCUS Love 2 Learn event. Nine early learning centers and 21 community agencies engaged families in activities and by providing resources for children. Each early childhood program showcased a learning center that demonstrated the environment provided by high quality centers. FOCUS also promotes school readiness. Through grants received from the Rehmeier Trust, York County Community Foundation, and the Donley Foundation, FOCUS provided the "Ready Freddy" kindergarten readiness program to 259 families from five York County school districts. In addition, infant/toddler, preschool and kindergarten readiness materials were distributed to over 7,400 families through collaboration with York County partners. United Way of York County also operates the York County Truancy Prevention Initiative which is a strategic effort to consistently respond to truancy among multiple partners, agencies and school districts in York County. It serves all school-aged youth in York County by establishing itself as a clearinghouse for what works to prevent truancy and dropout, staying current on national education policy research, and finding ways to enhance York County's provision of truancy prevention programs using best practices research. The first program started by the Truancy Prevention Initiative, Check & Connect is in its 4th year of operation and is provided to students and families in three York County school districts. School districts identify truant students who then are monitored by a school-based staff person who helps determine why the student is truant and what supports and strategies will reduce unlawful absences. The program is currently funded by the Office of Children, Youth and Families. In 2011, Youth Court Alliance (YCA), a youth-run truancy intervention program, was created by the Truancy Prevention Initiative. YCA works to re-engage truant students in school and develop a personalized plan so the student can avoid getting fined in District Court. Dispositions include jury duty, community service, research, and tutoring. In 2013, two school districts participated in YCA. At William Penn Senior High School students had incurred 171 unlawful days and 339 unlawful late entries before participating in Youth Court. After participation those numbers dropped to 17 unlawful days and 36 unlawful late entries.

Schedule I, Part I, Line 2	On an annual basis, United Way of York County partner agencies submit program applications which are reviewed by trained volunteers in the areas of Education, Income, and Health. The applications include budget information for the program as well as measurable outcomes. Panel volunteers also meet with the agency staff to discuss the programs. Every three years, partner agencies go through an Agency Review process where volunteers review audits and financial policies and procedures of the agencies. United Way of York County also allows donors to designate their contributions to qualified 501(c)(3) organizations. These contributions are specifically directed by the donor to be forwarded to other nonprofit organizations. This service is provided as a convenience to our donors. Because the designations are directed by the donors, we do not require the recipient organizations to provide us with information relative to the use and results of these contributions. The organizations must annually complete a Patriot Act Certification form.
