Liabilities for uncertain tax positions are measured based upon the largest amount of benefit that is greater than 50% likely of being realized upon settlement. The guidance on accounting for uncertainty in income taxes also addresses de-recognition, classification, interest and penalties on income taxes, and accounting in interim periods. With few exceptions, the Foundation is no longer subject to income tax examinations by the U S federal, state or local tax authorities for years ended March 31, 2010 and prior. Management has evaluated the tax positions of The Community Foundation, the Summit Fund, and the Steinberg Foundation and has concluded that no material uncertain tax positions have been taken that require adjustment to the consolidated financial statements to comply with the provisions of this guidance.
