**Michael Reese Health Trust 36-2170910 Form 990PF Year Ended June 30, 2014**

Statement for Michael Reese Health Trust 2013 Form 990-PF, Part VII-B, line 7a:

The Trust is a limited partner in several limited partnerships, many of which invest in other investment funds. The Trust has been made aware that some of these partnerships have filed protective disclosures of certain losses from trading activity on Form 8886. The partnerships have disclosed these transactions on a protective basis, and have sent the Trust an acknowledgement of these protective filings in accordance with IRS Notice 2006-16 and REGS. 1.6011-4. The Trust has no intention of entering into any listed transaction or reflecting on its tax return a reduction or elimination of its liability for applicable federal employment, excise, or unrelated business income taxes that is derived directly or indirectly from tax consequences or tax strategy described in the published guidance that lists any transaction. To the extent that it appears at any time that any such reduction or elimination may have been reflected, the Trust will file an amended Form 990-PF or Form 990-T so as not to take advantage of any tax consequences or tax strategy described in the published guidance that lists the transaction. Accordingly, the Trust was not a party to any prohibited tax shelter transaction.

**990PF, PART IX-A: SUMMARY OF DIRECT CHARITABLE EXPENSES**

The Michael Reese Health Trust fulfills its mission to improve the health and health care of Chicago's most vulnerable populations through two major activities; grant making and convening. The Health Trust disburses grants through three grant programs: Responsive, Proactive and Community Response. The second activity, convening, is closely and purposely connected to all areas of our grant making. This involves systematic information dissemination and educational activities to achieve the goals of enhancing networking and the effective use of resources and "best practice" information.

In addition to ongoing meetings with foundations, public health, medical, social service, and research colleagues, the Health Trust sponsored several events during the 2013-14 fiscal year. These included the following:

- 1) Financial software training for grantees.
- 2) Hosting a meeting for grantees that provide dental services to learn about each other, share challenges and strategies, and to collaborate around program efficiencies.
- 3) Two (half-day) Proactive grant project peer review sessions were held: 1) opportunities and options for increasing supportive housing for the homeless; 2) status report of the Safer Communities Initiative, and exploring strategies to increase the numbers of individual schools and synagogues involved.
- 4) Four (half-day) Health Care Issues Roundtable sessions were held, involving fourteen of Chicago's health care leaders, along with invited local and national experts brought in by the Health Trust. These discussions focused on implementation of Health Care Reform in Chicago and Illinois, and involved discussion of current and innovative strategies and processes for improving health care quality and access.

Convening activities are also used for pre-planning of multi-year, multi-agency, Proactive grants.

Our website, [www.healthtrust.net](http://www.healthtrust.net) is a mechanism for disseminating reports, papers and articles from supported projects and relevant activities. It provides searchable information about past and current grants, agencies and programs, and information on how to apply for grants through an on-line grant application process for Responsive grants.
