Part IV Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information

The Foundation awards grants to students attending qualified K thru 12 Private Arizona schools. The students family make application to the Foundation by completing a need based application that provides both information about the demographics of the family, but also its financial information. In addition to the application materials, current tax returns, supporting documents, along with current pay stubs are required. A consistent analysis is completed on all applications by a third party with the parameters of the Bureau of Labor Statistics being used. If analysis shows a need after the parameters are applied, a award is made. At the same time the Foundation verifies with the school of attendance of the student and that it qualifies as a K thru 12 Private Arizona school. The grants are then approved by the Foundation Board, and a check is sent in the name of the school so that it can be applied to the students tuition balance. The families application, analysis, verification of student status, and check copies are maintained by the Foundation.
