Part X, Line 2	In accordance with the accounting standard on Accounting for Uncertainty in Income Taxes, the Club and the Foundation address determination of whether tax benefits claimed on a tax return should be recorded in the financial statements. Under this guidance, organizations may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merit of the positions. Examples of tax positions include the tax-exempt status of the Club and the Foundation and various positions related to the potential sources of unrelated business taxable income. There were no significant unrecognized tax positions identified that qualify for either recognition or disclosure during 2015. For the Club and the Foundation, the tax years ended December 31, 2012 through the current year remain open for examination by federal and state authorities.
