Pt X, Line 2	The ASC requires entities to disclose in their financial statements the nature of any uncertainty in their tax position. CASA has not recognized any benefits or liabilities from uncertain tax positions and believes it has no uncertain tax positions for which it is reasonably possible that will significantly increase or decrease net assets. Generally, federal and state authorities may examine CASA's tax returns for three years from the date of tax filings, consequently, income tax returns for the years prior to this three year look back are no longer subject to examination by tax authorities.
