Part X, Line 2	Accounting standards provide detailed guidance for financial statement recognition, measurement, and disclosure of uncertain tax positions recognized in an entity's financial statements. It requires an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position will be sustained upon examination. As of December 31, 2016, the Foundation believes that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Foundation recognizes interest and penalties, if any, related to unrecognized tax benefits in interest expense. Tax years ended December 31, 2013 and later remain subject to examination by taxing authorities.
