As of June 30, 2016 and 2015, there were no income tax related accrued interest or penalties recognized in either the statement of financial position or the statement of activities. The Organization files informational returns in the U.S. federal jurisdiction, and in the Minnesota state jurisdiction. Form 990, Part VI, Section B, line 15	The executive director's compensation is reviewed and determined annually at the Board of Directors' meeting held in May. This process is led by the Chair of the Board. The executive director's salary is initially set by evaluating both the job duties and responsibilities. Additionally, data from a published salary survey is used to determine an appropriate salary range for the position with consideration of other multiple factors, including education, experience and fit for the position. The salary is evaluated each year based on both the executive director's and organization's achievement of established goals and objectives. There is a discussion with the full board of directors and then a written and verbal report with new salary information is provided to the executive director.
