Part IX-A Summary of Direct Charitable Activities

List the foundation's four largest direct charitable activities during the tax year. Include relevant statistical information such as the number of organizations and other beneficiaries served, conferences convened, research papers produced, etc	Expenses
1 AMERICA'S HEALTH RANKINGS America's Health Rankings is an annual state-by-state analysis of the nation's health. This yearly assessment, conducted in partnership with the American Public Health Association and Partnership for Prevention, has been a call to action for people and their communities for more than 25 years. In 2016, the report was again distributed to and used by policymakers, health professionals, individuals, community leaders, and the media.	5,162,079
2 Transforming Health with Communities United Health Foundation is committed to sourcing, developing and supporting innovative and evidence-based ideas that will help the health system work better. To do this, we identify meaningful partners and initiatives that we believe have the potential to lead to improved access to care, better health outcomes, and healthier communities, and are scalable. One such initiative is Expect with Me, a group prenatal care project being done in partnership with Yale University's School of Public Health and Vanderbilt University designed to improve mothers and babies' health and well-being during pregnancy, birth and infancy.	652,873
3 Diverse Scholars Initiative Developing the future health workforce. This initiative supports the Foundation's commitment to improve health by increasing the number of health professionals from multicultural backgrounds. Hundreds of United Health Foundation Diverse Scholars are working to attain their higher education goals and eventually will start careers in the health industry. These students who often come from lower-income multicultural backgrounds will increase the number of qualified, yet underrepresented, health care professionals entering the workforce.	1,745,953

WHOLE KIDS FOUNDATION	550 Bowie Street Austin, TX 78703	2014-12-18	500,000	The Healthy Kids Innovation Grant (HKI) will find the next generation of effective, replicable, and scalable ideas in improving children's health. In Spring 2015, HKI will make an open call for grant submissions. Eligible projects will have an impact on children's nutrition and to be ready for scale across at least one grade level. Nutrition impact metrics can include knowledge (where food comes from), nutrition (an understanding of healthful food choices), curiosity (willingness to try healthy foods) or consumption. These factors are key to improving student health outcomes measured using school metrics that include fitness data, attendance, and academic achievement. All applicants must be associated with a public school or a registered nonprofit organization. Criteria will show preference for projects in elementary schools with high need based on percentage of students eligible for the USDA free and reduced lunch program and which are located in underserved communities.
