Form 990, Part VI, Section B, line 15	The responsibility for executive compensation for the President/CEO is the responsibility of the Chair and the executive committee, which consists of the Past Chair, Chair, Vice Chair, Committee Chairs and any other members appointed by the Chair. The executive committee seeks input from the Board and meets on an annual basis to complete a yearly performance and compensation review of the President/CEO. A competent salary survey is used to benchmark compensation for the position and other executive positions. The executive committee shall meet independent of the President/CEO to discuss performance relative to the position. During these deliberations, the committee may also consider input obtained from other board members, Sisters of Mercy, staff, professional advisors, and other informed community leaders. The Chair of the executive committee reviews the accomplishments of the President/CEO during the year and a written performance review is completed. Once a consensus is reached regarding performance, a similar discussion is held concerning compensation relative to annual benchmark and established objectives. The compensation review includes base pay, fringe benefits and any other identified performance incentives. Through its minutes, the Chair/Executive Committee must document all of its deliberations and decisions, including the salary survey used. This process is referenced in article XI, section 1 of the bylaws of Holy Angels, Inc. The Holy Angels Board of Directors delegates the authority of the President/CEO to determine all other compensation. As for key employees and other employees, it is the policy of Holy Angels to pay wages and salaries that are reasonable and competitive with rates being paid for similar jobs by other employers in the community. Increases in employee compensation may be offered based on individual job performance, longevity, duties and responsibilities listed in job descriptions, and area wage and salary surveys. Wage or salary ranges have been established for each level of jobs.
