Return Reference	Explanation
Part I, Line 2	Goods purchased can only be shipped to the teacher's school, not to a home address. The Organization uses the National Center for Educational Statistics to verify school information to ensure that the school is an accredited educational institution, and that the mailing address listed in the teacher's registration information matches the address listed in the NCES database. For private schools or those unlisted by NCES, we call/email the school to confirm using information found on the school website or provided by the teacher. Orders are not allowed to be processed until the school and mailing address have been verified. Teachers generally choose what to spend their donated funds on from vendors on the Organization's website. Those vendors are only educational material suppliers, children's book publishers, and office supply vendors. If teachers want to spend their funds on something not available on our site, they can submit a request for an "out of network purchase." Those are reviewed first by a staff person - if anything looks out of the ordinary or inappropriate, the staff person contacts the teacher to ask about why the item is being requested and what it will be used for. The chief operating officer then reviews and personally approves every payment for out-of-network purchases. This ensures that only items appropriate for educational purposes are being purchased with donated funds.

Form 990, Part XII, Line 2c	Due to the relatively small size of the board, the functions of the Audit Committee are currently assumed by the Finance Committee. The Finance Committee reviews the audit and 990, which are then presented to the full Board of Directors for final approval. The engagement of the accounting firm to perform the annual audit is approved by the Board Chair if there is no change in providers from the prior year. If new providers are to be selected, that selection process would be handled by the Finance Committee and approved by the full board.
