Supplemental Information

Return Reference	Explanation
Part X, Line 2	TSNE accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. TSNE has identified its tax status as a tax exempt entity as a tax position, however, TSNE has determined that such tax position does not result in an uncertainty requiring recognition. TSNE is not currently under examination by any taxing jurisdictions. TSNE's Federal and state tax returns are generally open for examination for three years following the date filed.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 12c	<p>All officers, directors, and employees are responsible for avoiding situations which place them in conflict or apparent conflict with their duties at TSNE and are required to sign a conflict of interest disclosure form annually. The executive director reviews the forms and determines if a potential conflict exists. If a potential conflict is found to exist, that person is prohibited from participating in the deliberations and decisions on the conflicting matter. This policy statement covers some, but not all such situations. Employees should seek guidance in advance from the Executive Director whenever the potential for such conflict of interest arises. No employee of TSNE shall serve on a governing board or committee of any organization contracting with, making grants to, or receiving grants from TSNE, except with the express, written approval of TSNE's Executive Director. The Executive Director's participation on a board or committee as described above shall require the written approval of the President. In no case shall a TSNE officer, director or employee vote or take an active part in discussion of a grant or contract between TSNE and an organization of which he or she is a member or director. TSNE recognizes that some staff may, on occasion, wish to contract with individuals or organizations to provide consultation or other professional services on an independent contractual basis. All such outside consulting and contractual arrangements must be approved by the Executive Director (or, in the case of the Executive Director, by the President). Decisions regarding approval or disapproval of such outside work are within the sole discretion of the Executive Director (or President).</p> <p>Approval will not be granted in cases in which TSNE is offering or might reasonably consider offering similar services. Approval will also be denied in instances which in the judgment of the decision-maker constitute a conflict of interest or the appearance of such a conflict. Violation of this policy may result in disciplinary action up to and including termination of employment.</p>
