Statement 5 Regarding Activities - Part VII-B 1c

The Foundation made a payment to a section 501(c)(3) charitable organization on February 14, 2012. The principal source of funds came from the auction of a membership to Trump National Golf Club ("TNGC") on a charity auction website. The auction house stated on the website that the proceeds received from the sale of the membership would be paid to the section 501(c)(3) charitable organization, and they were so paid. Nevertheless, it is possible that the membership should have been auctioned, and the payment should have been made, by TNGC directly rather than through the Foundation.

On March 15, 2017, TNGC reimbursed the Foundation for the amount the Foundation contributed to the section 501(c)(3) organization plus interest calculated over the applicable period at the applicable federal rate. Neither the Foundation nor any disqualified person knew that making the payment to the section 501(c)(3) organization would have even the possibility of being incorrect. The Foundation announced its intent to dissolve and is seeking approval to distribute its remaining funds to highly qualified and important section 501(c)(3) charities.
