## **Form 990, Part III, Line 4b:**

Early Childhood - Early childhood encompasses a wide range of important developmental milestones during which critical physical, cognitive, and social and emotional development takes place. These first years of life serve as a vital foundation for children's success in school and later in work and life. Unfortunately, too many Illinois children don't get off to a strong start, due to economic, language, and other barriers. Research tells us that children who start their formal years of education less prepared than their peers fall further and further behind. Early childhood experiences profoundly influence educational, health, social, and economic outcomes later in life.

**Form 990, Part III, Line 4c:**

Fiscal Policy Center - The Fiscal Policy Center provides timely, credible, and accessible analyses to 1) improve Illinois' tax and budget system so that the state raises adequate and sustainable revenue in an equitable manner to fund essential programs and services, and 2) strengthen economic security and opportunities for low- and moderate-income individuals and families
