Form 990 (2016)

Form 990, Part III, Line 4a:

GRASP is a non-profit organization specializing with helping students and their families, regardless of financial resources, to develop an educational plan for post secondary education. GRASP's professional financial aid advisors work in high schools and private settings, without charge to students and families, to assist with overcoming financial and motivational challenges to the goal of higher education.

Form 990, Part III, Line 4b:

GRASP awarded scholarships to deserving graduating high seniors school or college students, respectively, most of whom are financially disadvantaged \$519,511 of those students were for scholarships to students from low to moderate income households to receive scholarships for private K-12 Virginia schools

Form 990, Part III, Line 4c:

GRASP anticipates continuing to take advantage of the Virginia Neighborhood Assistance Tax Credit Program ("NAP") and Education Improvement Scholarship Program ("EISP"). The NAP and EISP programs provide significant tax incentives to Virginia private and business donors who support scholarships and other tuition assistance programs of (1) students and families of low to modest financial means and (2) provide scholastic assistance in developing post - secondary academic and vocational plans for children with one or more disabilities as defined under the federal IDEA legislation. The NAP program requires that more than 50% of GRASP tax credit derived revenues are used for education services in support of students and families with income at or below 300% of the recognized poverty level of income or 400% of the recognized poverty level for students with disabilities. The EISP Program, a scholarship program for students in K-12 who wish to attend a private school, requires that at least 90% of tax credit generated revenues under this program be paid out in scholarships for students at or below 300% of poverty, or in the case of students with disabilities, 400% of poverty by the end of the following fiscal year end. The GRASP Board has directed that preference be given to scholarships for students with disabilities attending private schools with specialized disability services under the EISP Program.
