4a  (Code: ) (Expenses $ 1,506,979 including grants of $ 1,053,086) (Revenue $ 2,432,832)

Imagine if every child in San Francisco expected to go to college! First Graduate’s mission is to help students become the first in their families to graduate from college ready to pursue meaningful careers. We provide them with the long-term support that their more well-off peers receive so that they can be competitive high school and college candidates. And, this long-term investment in their education and exposure to career options sets them on a path to build careers, not just jobs.

Education is a right, not a privilege, and we work with students from the summer after sixth grade through college graduation (a 10-12 year journey) to help them attain their degrees and thereby help their families move out of poverty in a single generation. In the San Francisco Unified School District (SFUSD), 9 out of 10 students have parents who are not college graduates. Without help, only 11% of first generation students obtain a college degree. We believe that the first college degree in a family is the key to breaking the cycle of poverty. Donor support provides free coaching and academic tutoring for students that would otherwise be unable to replicate or substitute for the innate advantage that their peers with college-education parents possess. First Graduate: the only college access and success program in San Francisco that starts in middle school for 10-12 years (until they graduate from college).

4b  (Code: ) (Expenses $ including grants of $ ) (Revenue $ )

In FY16-17, First Graduate staff and 300+ volunteers helped 469 students and their families get closer to their dreams of becoming college graduates. With support from our donors, each student receives free individualized coaching (goal setting, skills building, assessments, access to resources, and financial aid help). We engage parents in their roles as partners in their children’s education. We offer career development through exposure, education, and experience. We have a collaborative approach via strategic partnerships, volunteers, and pro bono talent. We are place-based; our focus is San Francisco. Our growth builds upon success, and results include: 78% college graduation rate. In 2017, of our 266 high school seniors, 92% enrolled in 4-years and 8% in 2-years colleges. 56% maintained a 3.5 or higher GPA and 68% maintained a 3.3 GPA or higher.
