**Name:** Circle Center Adult Day Services

Form 990 (2017)

## Form 990, Part III, Line 4a:

Circle Center Adult Day Services provides licensed daycare for community-living, high risk, nursing home eligible older adults, and respite, education and support for their family caregivers. Center services are designed to support continued community living, maintain or improve functional abilities, develop coping skills and improve the quality of individual and family life. The agency measures its success by its ability to help already- nursing-home-eligible older adults continue to live at home, with Center and family support. For the period July 2017 through June 2018 99% of those served met the criteria for nursing home care, but used adult daycare at Circle Center instead. They were able to live at home 50,005 days longer at a savings to their family and taxpayers of at least \$9,553,998. Family caregivers also reported improved quality of their lives. 99% reported Circle Center helped them cope. 95% said the Center met their needs for help with caregiving. 90% reported use of the Centers support and educational resources. 88% reported the Center helped them maintain valued life roles such as worker, caregiver, volunteer and church member and 92% of those employed reported that the Center services helped them to maintain their job. ACTIVITIES In 2017-18 Circle Center provided 1090 days of weekday and Saturday adult daycare, averaging a caseload of 140 individuals per week. At the Center, daily nursing care, 2 meals and 2 snacks, baths, social services, therapeutic activities, supervision for safety, cognitive and emotional support, transportation coordination and specialized wellness programs and services for those with later stages of dementia provide enrolled nursing-home eligible participants with the daily care they need to continue living at home while enjoying an enhanced quality of life through involvement with their peers. Circle Center brings them together in a social, comfortable and services-rich environment where they share experiences and build friendships while benefiting from a daily routine that keeps them active and engaged. Meanwhile, family caregivers, are freed to work or receive the respite they need from 24/7 responsibility for a relative with special needs. Caregivers also have access to support groups, educational programs and other services to assist them with caregiving and improve their coping skills. ACCOMPLISHMENTS Circle Center Adult Day Services, one of first 100 adult daycare centers in the nation, celebrated 40 years of compassionate and innovative services in May 2016. Its most significant achievement in recent years was its January 2009 move into its own facility, following a successful \$2.7 million capital campaign, purchase of a 26,000 square foot building and extensive renovation of 15,000 square feet of space, with the potential to expand into another 11,000 square feet of space. In February 2015, with the success of another initiative, the Center renovated 5100 square feet of this space and after a successful licensure inspection, is now licensed to serve 130 participants per day. The Center has long set the standard for care in the entire region and is Virginia's most comprehensive in terms of services, its long service week (Monday through Friday 7:30 am to 5:30 pm on Saturdays from 9:00 am to 5:00 pm), its state-of-the-art facility and its programs for caregivers. Circle Center participates in the CCC+ program, a new initiative, long term care system-wide transition to managed care for those both Medicare and Medicaid eligible which serves additional previously unserved and underserved high risk individuals in a more comprehensive and coordinated way across their acute and long term care needs. The Center facility includes a Wellness Program in dedicated space, providing outcome-based strength, flexibility and balance training, chair yoga, Tai Chi, Wii activities, licensed massage and related programs, based on individual needs. Another specialized service, a Multisensory (sensory stimulation) Program, is based on a model developed in the Netherlands and known to increase alertness and control anxiety in neurologically impaired elders, an adjunct to our established Montessori-based program for those with later stage dementia. The Center brings together families from all socio-economic groups. Since 1980, the Center's Scholarship Program has provided full or partial scholarships for those who may otherwise not be able to afford services. In 2017-18, \$311,839 scholarship funds were provided by foundation and corporate grants and gifts from individuals. Circle Center collaborates with many other agencies around its daycare and caregiver services. Circle Center staff are called upon by other adult day centers, other health and human services agencies, employee assistance programs, and information services agencies, employee assistance programs, and information and referral programs addressing eldercare concerns. The Center has an active undergraduate and graduate student intern program with seven local and out-of-state universities. The Center has a dedicated Board of Directors and a number of highly-engaged past Board members who provide bono professional services. The Center's recently completed strategic plan includes goals to continue the growth of the program with a focus to maintain the best practice for the provision of this care, as well as an intentional plan to market the Center and its program to the Richmond community. Circle Center also continued its strong track record of innovative treatment this year by including the addition of an intergenerational program in partnership with one of the Center's founding Church's Child Care Center, St. James's Episcopal
