Supplemental Information

Return Reference	Explanation
Part X, Line 2	<p>The Organization is exempt from federal income taxes under Section 501(c) (3) of the Internal Revenue Code. Unrelated business income, of which the Organization had none for the years ended December 31, 2018 and 2017, would be subject to federal income taxes. Additionally, the Organization is exempt for state sales and franchise taxes. Accordingly, there is no provision or liability for federal income taxes in the accompanying financial statements. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by Internal Revenue Service. Management has analyzed the tax positions, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. Management believes it is generally no longer subject to tax examinations relating to U.S. Federal tax returns after three years prior to the date of the last tax filing.</p>
