Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III . . . . . ☑

1 Briefly describe the organization's mission:

MSFC recognizes that one of the greatest obstacles to safe and legal abortion is the absence of trained providers. As medical students and residents, we are working to make reproductive health care, including abortion, a standard part of medical education and residency training.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? . . . . . ☐ Yes ☑ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? . . . . . ☐ Yes ☑ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses $ 627,070 including grants of $) (Revenue $)

The Student Organizing program supported approximately 2,000 educational events on 230 medical school campuses. The events included lectures, panel discussions, and film screenings on the topics of abortion and contraception. Additionally, 34% of our chapters are engaged in or are planning to engage in projects to reform their schools' official curriculum to include more information about reproductive health and abortion.

4b (Code:) (Expenses $ 157,485 including grants of $ 10,496) (Revenue $)

The Reproductive Health Externship Program (RHE) provided $10,496 of grants and $99,912 of travel reimbursements as financial support to 155 medical students and residents who sought opportunities not available in the medical schools and residency programs for first-hand abortion training. Continuing analysis of the program shows a statistically significant increase in the participants' knowledge of family planning and intention to provide abortion as a result of their externship experience.

4c (Code:) (Expenses $ 361,652 including grants of $) (Revenue $ 67,725)

323 medical students and residents attended our 2019 Conference on Family Planning, the premier conference for medical students and residents interested in family planning. 99% of conference attendees rated the conference as either "useful or "very useful" on conference post-surveys. In addition, MSFC hosted 3 Abortion Training Institutes. Due to the highly selective nature of the program, MSFC only selected 36% of the overall applicants for full funding. 120 attendees were exposed to a day and a half of education on abortion provision including clinical presentations on all surgical and medical abortion techniques and other skills related to providing abortion.

(Code:) (Expenses $ 132,104 including grants of $) (Revenue $ 2,033)

Return Reference	Explanation
Part X, Line 2:	MSFC regularly reviews and evaluates its tax positions taken in previously filed information returns and as reflected in its financial statements, with regard to issues affecting its tax status, unrelated business income and related matters. Management believes that in the event of an examination by taxing authorities, its positions would prevail based on the technical merits of such positions. Therefore, MSFC has concluded that no tax benefits or liabilities are required to be recognized. Should the tax exempt status be challenged in the future, MSFC's three most recent tax years are open for examination by the IRS, generally for three years after they have been filed.

Form 990, Part VI, Section B, line 11b	The 990 draft is sent via email to the President and Treasurer for review and comment. The President and Treasurer approve the 990 draft. The Executive Director and Director of Finance review and ask accountants to go to final. Upon completion, the 990 is emailed to all members of the Board of Directors.
Form 990, Part VI, Section B, line 12c	At the new Board member orientation, members sign a statement of their commitment to their responsibilities. The disclosure wording follows. Members must safeguard the credibility and integrity of the organization by making a good faith effort to place the welfare of the organization before personal benefit. Board members who suspect they may have a potential conflict of interest between Board responsibilities and an individual obligation must disclose this to the Board and abstain from discussion and voting regarding that issue. Open, honest and professional discussion of potential conflicts of interest is expected of all board members. The board values the range of perspectives brought to Board discussions by individuals with diverse organizational experience and professional relationships; potential conflicts may be expected. These guidelines will ensure that the interests of MSFC will be paramount in the decision-making role of the Board. Potential conflicts of interest include, but are not limited to: A) An organization with which the Board member has a relationship is being considered for a contractual relationship with MSFC. B) The Board member, or an organization with which the Board member has a relationship, may benefit from research utilizing MSFCs evaluation data. C) The Board member's knowledge of MSFC's donors may assist another organization. D) The Board member's personal relationship with a school coordinator may influence the decision-making process of assigning organizing funds, scholarships, externship or awards. NOTE: ALL BOARD MEMBERS MUST SIGN AND COMPLY WITH THE FOLLOWING INDEPENDENT VOTING BOARD MEMBER STATEMENT. Independent Voting Board Member Statement A member of the governing body of Medical Students for Choice is considered 'independent' only if all three of the following circumstances applied at all times during the organization's tax year: 1. The member was not compensated as an officer or employee of Medical Students for Choice. 2. The member did not receive payments exceeding $10,000 from Medical Students for Choice as an independent contractor, other than reimbursement of expenses or reasonable compensation for services provided in the capacity as a member of the governing body. 3. Neither the member, nor any family member of the member, was involved in a transaction with Medical Students for Choice that included, but was not limited to, a loan or grant. The family of an individual includes only his or her spouse, ancestors, brothers and sisters (whether whole or half blood), children (whether natural or adopted), grandchildren, and spouses of brothers, sisters, children, and grandchildren.
Form 990, Part VI, Section B, line 15	In developing the model, the Executive Committee considered factors including fairness of compensation without excessive salary growth while rewarding excellent performance, justifiability of the expense as a proportion of the organization's resources, as well as input from consultants and Executive Directors of similar sized organizations. The current process is intended to provide a steady model for salary growth, requiring appropriate but not excessive annual time investment of the Executive Committee and Board. When determining a raise, the Executive Committee and Board must find a number that is not only appropriate for the caliber of work, but one that is responsible to external stakeholders. The specific raise can include COLA plus a merit-based percentage. An overall score is used to determine the appropriate range for a merit-based salary increase. The overall score is determined by finding the mean of all scores given on the Executive Director Annual Evaluation by the Board of Directors (both Directors and Staff complete evaluations of the Executive Director and the Executive Director completes a self-evaluation). The total raise (including both COLA and merit adjustment) generally should not exceed 7% in any given year and should not cause the Executive Directors salary to exceed 12% of the organizations operating budget. The process was last undertaken in March 2014.
Form 990, Part VI, Section C, line 19	The organization makes its governing documents and financial statements available for public inspection upon request.
