| Return Reference | Explanation |
|--|--|
| Part X : FIN48 Footnote | The Financial Accounting Standards Board FASB has issued a financial reporting standard effective in 2013 that requires disclosure and possibly recognition of uncertain income tax positions in financial statements for all entities that report under U.S. generally accepted accounting principles, including tax-exempt organizations. For an exempt organization, an uncertain tax position might be one that potentially affects the organization's tax exempt status or that affects whether or not it is subject to unrelated business income tax on some if its revenue and the amount of such tax. Under current accounting standards, uncertain tax positions are required to be recorded and disclosed only if it is probable a claim will be asserted and there is a reasonable possibility that the outcome will be unfavorable. Megan Meier Foundation believes it has no uncertain tax positions that qualify for either recognition or disclosure in its financial statements under current standards or the new standard. The organization is subject to routine audits by taxing jurisdictions however, there are currently no audits for any tax periods in progress. The organization believes it is no longer subject to income tax examinations for years prior to 2015. |

| Part XII, Line 2d: Other expenses and losses per audited F/S | Fundraising Expenses \$13963 |
