Return Reference	Explanation
Pt II Ln 17a	The organization began in 2013 based on the vision of its founder and director, Nick Costello and a group of volunteer leaders located in Nigeria. There are not related parties on the Board and the Board is composed of a diverse group of religious leaders and volunteers committed to serving the poor and marginalized orphans and widows in Nigeria. During its first initial years, the organization received substantial support from its founding board members and their immediate families. As reflected in Schedule A, Part II, the percentage of public support for 2019 is 17.06% an improvement of 2% over 2018 which was 15.21%. To expand its public support, the organization has initiated and held annual fundraisers to both raise awareness of the organization's activities and to receive donations from an increasingly wide and diverse number of sources. The organization plans to continue these events for the foreseeable future. The organization is also pursuing funding from other public charities and private foundations. Furthermore, the organization continues to expand its board to include a variety of members representing the broad interests of the public, rather than a limited number of donors. For all these reasons, the organization believes it satisfies the facts and circumstances test set forth in Treas. Reg. 1.170A-9(f)(3) and therefore qualifies as publicly supported.
