Adult and Teen Challenge is the faith-based solution for the drug epidemic. The scope of Adult and Teen Challenge has grown over the years, and now serves adults as well as teenagers. There are almost 200 Adult and Teen Challenge campuses in the United States, and over 1,000 centers world wide in over 80 countries, which provide Christian recovery services to individuals of every age and social background. Typically, these services are long-term residential recovery centers which provide a life-encompassing enviroment through which the participant is able to change their lifestyle and develop a plan for future free from addiction. Another core tenet of Adult and Teen Challenge is drug abuse prevention, which educates young adults on the dangers and reality of drug abuse in our society. Adult and Teen Challenge admitted 494 men and women in 2019 and graduated 173 from its 12 month residential program.

Return Reference	Explanation
Part X, Line 2:	The Organization is exempt from federal income taxes under Section 501(c) (3) of the Internal Revenue Code. Unrelated business income, of which the Organization had none for the years ended December 31, 2019 and 2018, would be subject to federal income taxes. Additionally, the Organization is exempt for state sales and franchise taxes. Accordingly, there is no provision or liability for federal income taxes in the accompanying financial statements. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by Internal Revenue Service. Management has analyzed the tax positions, and has concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition of liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is generally no longer subject to tax examinations relating to U.S. Federal tax returns after three years prior to the date of the last tax filing.
