Sounds Good Choir the Organization provides this flagship program to enhance the well-being of older adults, age 55 and up (currently serving people through age 93), through choral-music programming under the direction of professional choral conductors. The Sounds Good program creates a fun, encouraging, and supportive non-auditioned environment in which older adults learn habits of good vocal health. Participants, including lifelong choral singers and newcomers alike, learn and prepare challenging 3- and 4-part choral music with piano accompaniment over a 15-week session in spring and fall, and an 8-week summer session, culminating in free public performances. In 2019, Sounds Good Choirs operated in nine locations including Chicago, its suburbs, and Southwest Michigan. For more information, visit www.soundsgoodchoir.org

4b (Code:) (Expenses \$ 103,051 including grants of \$) (Revenue \$)

Good Memories Choir the Organization provides this choir to bring joy and social connection to the lives of older adults with early-stage memory loss and their care partners, who sing together along with a group of singing volunteers in an ensemble directed by professional choral conductors. During 2019, Good Memories held weekly rehearsals throughout the year in downtown Chicago and launched its Evanston program in the fall. Good Memories gathers weekly for a 90-minute session that includes stretching and vocal warmups, work on 3-part mixed-choir repertoire with piano, and social time with coffee and snacks. The choir is designed to give physical, emotional, social, and spiritual benefits to all participants and particularly to combat the social isolation so common with not only people who are experiencing dementia but also those who care for them.

Return Reference	Explanation
Part X : FIN48 Footnote	The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Foundation may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Foundation and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the year ended December 31, 2019.
