Form 990, Part VI, Line 15b: Compensation Review and Approval Process for Officers and Key Employees	The Board of Directors initiated and oversaw a comprehensive compensation review in 2000. An independent compensation consultant reported to the HR Director and the Personnel Committee of the Board, and then the full board reviewed and approved the report which indicated that salaries agency-wide were significantly below market, and that benefits did not adequately close that gap. Over the last fifteen years Community Bridges has not substantially revised the salary schedule nor been able to award annual COLA's to keep up with inflation, so the organization is confident that compensation, especially those of middle and upper management, falls below market rates for comparable positions. In a separate process in 2013 the CEO salary was reviewed by the Board of Directors, comparability data reviewed, and the Board acted to increase CEO annual salary from approximately \$86,250 to approximately \$109,825--still well below market rates for comparable organizations.
