Background Today, through our network and initiatives, LiveOn NY serves all the older New Yorkers from every community and socioeconomic background across New York State. Our members include over 100 nonprofit organizations which run over 1,000 community-based programs, including senior centers, meals-on wheels, elder abuse support, affordable senior housing, caregiving services, intergenerational programs, creative aging, long term care services, and case management. Together with our members, we reach roughly 500,000 older adults annually. Accomplishments of 2019 In 2019, we've accomplished a historic state investment of \$15 million towards in-home services for the elderly and a city investment of \$10 million for senior center meals and kitchen staff. We provided educational opportunities to more than 600 professionals at our conference and trainings. In our Benefits program we assisted more than 3000 seniors with benefits and entitlements. Our outreach program reached hundreds of thousands of older adults, caregivers and professionals with access to resources about programs and benefits in their communities. We're working to reframe aging as a positive life process that we're all embarking on, one that should be celebrated, invested in, and respected. We know that together, we can shift the way society views old age and our sector, and make New York a better place to age. To our members, new and old, thank you for embarking on this journey with us, and believing in the value of our collective voice. You are what makes our successes possible, and we look forward to achieving much more in 2020 and beyond.
