1 Briefly describe the organization's mission:

The "I have a dream" foundation (IHDF) expands educational opportunities for children living in under-resourced communities by empowering them to achieve higher education and providing them with guaranteed tuition support and equipping them with the skills and knowledge they need to gain entry to and succeed in college and beyond. We have learned a tremendous amount over the last 35 years. First, getting our students to college is critical but not enough. Second, we must embrace innovative ways of motivating and encouraging K-12 Dreamers as they prepare for College. Building on these insights, we have developed the following programs: (1) A postsecondary support program; and (2) a college savings account (CSA) Program. Both Programs are designed to encourage Dreamers, Families, communities and businesses to invest Directly into the success of our dreamers so that our students are equipped to not only start but complete college.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?

Yes No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services?

Yes No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code: ) (Expenses \$ 558,108 including grants of \$ ) (Revenue \$ )

dreamer & affiliate support - the "i have a dream" foundation provides guidance, resources, and technical assistance to 17 "i have a dream" affiliates across the nation, with the goal of ensuring that our 3,535 students, called "dreamers", graduate from high school prepared to enroll in and complete a postsecondary education. Our office works with affiliates to provide best practices, learning exchanges, and national convenings, as well as more targeted program support through site visits, phone consultations, and other technical assistance. in addition, the national office develops partnerships to provide resources to our dreamers and affiliates. the foundation sponsors an annual leadership development conference for middle and high school dreamers from across the united states. each year we hold the dreamer conference on a college campus in different parts of the country.

4b (Code: ) (Expenses \$ 119,953 including grants of \$ ) (Revenue \$ )

Data & performance management - the "i have a dream" foundation continues to build out a central repository of current and historical performance data across the "I have a dream" network in order to measure the organization's collective impact, drive continuous improvement efforts and resource allocation, and strengthen performance accountability.

4c (Code: ) (Expenses \$ 36,783 including grants of \$ ) (Revenue \$ )

Program strategy & design - the "i have a dream" foundation is working to increase the organization's impact by constantly improving our efforts to support current affiliates. as part of this effort, the foundation conducted surveys to evaluate current programs' offerings across the affiliate network and provided resources to address areas that needed improvement. the foundation recently implemented our college savings account (CSA) program with three affiliates (new york-metro, des moines, and oregon), with the goal of rolling out the program across the broader network. CSAS have been shown to increase a student's college-going mindset and positively impact the college-going rate of children living in under-resourced communities. IHDF's goals in creating CSA's for dreamers include increasing the number of dreamers getting to and through college, and allowing the public to help support dreamers' college dreams by providing a safe and accessible investment vehicle.

4d Other program services (Describe in Schedule O.) (Expenses \$ including grants of \$ ) (Revenue \$ )

4e Total program service expenses 714,844

Part X : FIN48 Footnote	Accounting principles generally accepted in the united states of america require management to evaluate tax positions taken by the foundation and recognize a tax liability if the foundation has taken an uncertain position that more likely than not would not be sustained upon examination by the internal revenue service. as of august 31, 2020 and 2019, the foundation has determined that it has not incurred any liability for unrecognized tax benefits. the foundation recognizes interest and penalties, if any related to unrecognized tax benefits as income tax expense in the statement of activities.
