At Prairie Rivers Network, we protect water, heal land, and inspire change. Protect Water - Water is lifeconnecting, sustaining, and inspiring us all. At Prairie Rivers Network we protect water from the ravages of pollution and restore the beauty and power of naturally flowing rivers. We hold polluters accountable, advance policies to allow river ecosystems to thrive, and promote practices that keep our waters clean. Heal Land - Land and water form a system on which the entire community of life depends; to care for land is to care for water. Too often, human activity degrades land and water and imperils this community. At Prairie Rivers Network, we advance practices and policies that return health to our soils and increase biodiversity. We work with people to restore the lands along and between our rivers, repair the earth that provides our food, and ensure that animals have the habitat needed to thrive in a rapidly changing world. Inspire Change - We are part of an interconnected whole. Our community includes all parts of the Earth: soil, water, people, plants, and animals. At Prairie Rivers Network, we elevate and uphold the cultural values and understandings needed for all life to flourish. We use the images and voices of people to tell compelling stories of resistance and renewal. We educate and empower people to act. And we lead collective efforts to create new ways of restoring our rivers, healing our lands, and caring for our neighbors.

Return Reference	Explanation
Pt X, Line 2	The Organization is a non-profit organization that is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Internal Revenue Service has determined that the Organization is not a private foundation as defined in Section 509(a)(2) of the Code. The Organization is recognized as a charitable organization by the State of Illinois under the Charitable Trust and General Solicitation Act. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of position. Examples of tax positions include the tax-exempt status of the Organization and various position related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities as of December 31, 2020. The Organization files information tax returns in the U.S. federal jurisdiction and the state of Illinois. Its federal and Illinois information tax returns prior to fiscal year ended December 31, 2017 are closed. The Organization does not have any tax returns currently under examination by either the Internal Revenue Service (IRS) or any U.S. state jurisdiction.
