 Minnesota Independence College and Community (MICC) College Program teaches the core skills that we believe are essential to live independently within a community. We provide instruction and support on independent living skills, employment skills and social skills, using a holistic, strength-based model of education. In 2019-20, the College program served individuals who have learning differences or Autism Spectrum Disorders plus their immediate and extended families. For the past 24 years, MICC has been perfecting an extremely effective model of transition into adulthood for the individuals that we serve. The College Program students live in apartments on our campus, which allow instructors to teach independent living skills in the type of environment that our students will transition to upon graduation from the program. The skills we teach range from basic cooking, cleaning and organization to budgeting, medication management, transportation and roommate dynamics. Our goal is to ensure that our College Program students are fully prepared to live independently after graduation from our program. This year, the College Program moved to a distance learning platform in March due to COVID-19 concerns until the end of the school year. MICC offered 80% of our usual in person courses, socials, and electives. Within the College Program, MICC offers the opportunity to make a greater impact in the community by offering summer programs to high school and transition age individuals with learning differences and Autism Spectrum Disorders. The programs are an opportunity for students to work on skills similar to the College Program, but in a limited time frame. We provide an apartment living experience that includes skill building in the areas of cooking, cleaning, and transportation. We also provide work exposures to our participants via our corporate partnerships in the community. MICC knows that summer programs and post-secondary options are crucial for individuals with learning differences and Autism Spectrum Disorders in order for them to further their education and transitional success.

| Part X, Line 2: | The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Minnesota Statute 290.05. Accordingly, no provision for income taxes is included in these financial statements. Because the Organization is a public charity, contributions may qualify for tax deductions by the contributors. However, any unrelated business income may be subject to taxation. As of June 30, 2020 and 2019, there were no income tax related accrued interest or penalties recognized in either the statement of financial position or the statement of activities. The Organization files informational returns in the U.S. federal jurisdiction, and in the Minnesota state jurisdiction. U.S. federal returns and Minnesota returns prior to fiscal year 2016 are closed. No returns are currently under examination in any tax jurisdiction. |
