Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III . . . . . ☑

1 Briefly describe the organization's mission:

Trans Lifeline is a national trans-led 501(c)(3) organization dedicated to improving the quality of trans lives by responding to the critical needs of our community with direct service, material support, advocacy, and education. Our vision is to fight the epidemic of trans suicide and improve overall life-outcomes of trans people by facilitating justice-oriented, collective community aid.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? . . . . . ☑ Yes ☐ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? . . . . . ☐ Yes ☑ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses $ 750,860 including grants of $ 423,829) (Revenue $)

In 2020, Trans Lifeline's microgrants program distributed $336,610 in small grants to 623 individuals and $87,219 in grants to 7 small service organizations for updated legal identification documents, legal name and gender changes, and commissary support. For grants to individuals, this represents a 33.43% increase over 2019's $252,280 in funds distributed, while the number of grants disbursed remained roughly the same. For grants to small service organizations, this represents a 384.55% increase over 2019's $18,000 in funds distributed. Additionally, the program expanded services to include increased advocacy for trans migrants by working directly with organizations providing peer navigation through the immigration process.

4b (Code:) (Expenses $ 744,952 including grants of $) (Revenue $)

In 2020, Trans Lifelines hotline program answered 24,808 calls from 12,681 unique callers and averaged a 64.27% monthly increase in new callers. 2020 also saw a significant uptick in crisis calls compared to the previous year. In 2019, the hotline rarely logged over 200 crisis calls per month, whereas in 2020 10 of 12 months exceeded 200 crisis calls, and 2 months saw over 300. Despite this significant increase in intensity, answer rates remained between 50%-75% for the majority of the year. This was made possible thanks to a major increase in staffing, with our hotline staff doubling in size as compared to 2019. In addition to bringing in experienced peer support providers, the staffing increase also made it possible to initiate the Spanish language hotline extension with bilingual peer support specialists, Domestic & Intimate Partner Violence services, expanded internship options for students across the US and Canada. Additionally we were able to bring in staffing for curriculum development for a comprehensive training and resource overhaul. In the last quarter of 2020, the program laid the groundwork for its first-ever BIPOC Peer Support Leadership Fellowship, which in 2021 welcomed 5 fellows for a 6-month intensive program aimed at empowering peer supporters in trans communities of color. The program also expanded its involvement with external partners, being featured in regional and national educational and professional events alongside organizations like the Trevor Project, the National Association of Peer Supporters and the International Initiative for Mental Health Leadership. 2020 was also a year that saw a marked increase in highly qualified volunteers and interns working with the program, and set the course for a steady increase in partnerships with universities in the US and Canada for both undergraduate and masters level internships, including clinical placements for students in 6 universities. Lastly, in August of 2020, a full retroactive data tagging project was completed for calls spanning from the hotlines launch to the present day, allowing for Trans Lifeline to identify statistically significant data and shedding light on issues that have deep impacts on trans communities. In 2020 the Family & Friends Line SOFFA outreach handled 148 callbacks. 86 were completed successfully, while 62 were non-responsive to our contacts. We trained 7 new volunteers while continuing to engage current and potential volunteers and allies.

4c (Code:) (Expenses $ 29,640 including grants of $) (Revenue $)

The communications and advocacy pilot program revamped Trans Lifeline's external communications strategy, ran dedicated campaigns to reach monolingual trans Spanish speakers to drive callers to the Spanish Extension, and supported advocacy efforts of movement-partner organizations through filing amicus briefs and reporting on the impact of the COVID pandemic on trans communities across North America. Based on the success of this pilot program, communications & advocacy became a fully funded program in 2021.

Return Reference	Explanation
Grantmaker's Description of How Grants are Used	The organization collects the following information from individuals that identify as trans, that are seeking to update identity documents, and are in a position of financial need : date of application, - name, pronouns, phone number, email, language they would you like to use when working with the organization, location, documents they need help with, and whether they have previous criminal record. Once this information is collected, volunteers from the organization's microgrants program contact the applicants via phone or email to verify their identity and their level of financial need. Because we trust our applicants to determine their own identities and to best understand their unique financial situation, the verification process is a conversation that takes into account the various intersections of the applicants' life circumstances. Once the applicants' needs are assessed a supervising staff member will review the case and then disburse the individual grant. Due to the small amount of funds disbursed to each individual recipient and the desire to avoid adding barriers to vulnerable individuals already facing significant challenges in accessing services, we do not subject grant recipients to reporting requirements beyond the ones described here.
