Combined Arms is a dynamic, ever-evolving collaborative impact organization using an innovative approach to technology and service delivery to disrupt the veteran transition experience. By providing comprehensive support to military members and their families as they transition to civilian life, we accelerate veteran transition to deliver maximum impact in the community. Combined Arms streamlines the connection between veterans and their families from all military branches with organizations that serve them. We've created a new veteran service model, focusing on collective impact-reinventing what it means to serve veterans by creating pathways to access resources based on precisely what they've asked for, leaving the outdated model of "services in silos" behind.
